

Tenebrae Service

Maundy Thursday

28th March

*at **St Francis Church,**
Banbury*

commencing at 6pm

Tenebrae means darkness to shadows

As the story of the Last Supper and the arrest, trial and crucifixion of Jesus unfolds, candles are extinguished one by one to symbolise the spiritual darkness growing.

The service lasts for about one hour and everyone is welcome. Our post code is **OX16 1FA** and there is ample car parking with wholly flat access to the church.

However, please do be prompt in arriving as there is some explanatory preamble before we start which is helpful to allow the service to 'flow' without further explanation once we begin.
